Sommaire

1	Introduction	3
11	Motivation	3
2	Methods	3
21	Algorithm	3
3	Results	3
4	Conclusion	3

1 Introduction

This template helps you meet UTBM conventions with minimal setup.

11 Motivation

State the problem you are solving and the expected outcomes.

2 Methods

Explain your approach, assumptions, and tools.

21 Algorithm

Present your algorithm and its complexity.

3 Results

Summarize the key findings, tables, or figures.

4 Conclusion

Wrap up with lessons learned and potential improvements.
