**Tabler Icons Version v3.29.0**

Package 0.1.0

### **Stress Test (also Verification)**

## Filled Icons

The image shows a massive grid of orange icons, each representing a character or symbol from the Indian Pan-India Phonetic Keyboard. The grid is organized into several rows and columns. The first row contains symbols for numbers 0-9, mathematical operators (+, -, ×, ÷), and various punctuation marks (., !, ?, etc.). Subsequent rows contain a mix of characters from different Indian scripts (e.g., Devanagari, Gurmukhi, Bengali, etc.), along with symbols for currency (₹, ₹), time (AM, PM), and other special characters like the infinity symbol (∞). The icons are arranged in a grid pattern, with some characters appearing multiple times across the rows.

## Outlined Icons

这是一段非常长的乱码文本，包含了大量的特殊字符、数字和符号。由于其内容完全无法理解，因此无法提供有意义的摘要或翻译。
