◆ Close Relationship

Daughter Yumiko (17), who comes visiting despite you and her mother have split up 2 years ago.

◆ Dark Secret: Heir

You've inherited the antique bookshop of your late father Hiram. You never wanted to work there, it is boring work for boring people and the assistant of your father, Mr. Adkinson, is creepy straight out of the Addams Family, or Frankenstein. You never understood how he could make a living selling occult books to students and wiccans. And indeed the accounting numbers are bright red. Maybe you can sell the ring Lurch gave you.

Advantages

◆ Body Awareness

Your body and mind are as one. Whenever you perform acrobatic or agile feats: Roll +Coolness

(15+) Choose one option.

(10-14) Choose one option, but you expose yourself to danger or incur a cost.

(9-) Choose one option, but something goes very wrong. The GM makes a Move.

Options:

- Escape bindings or restraints.
- Get past an obstacle (creature or object).
- Get into or make it through a space you normally wouldn't be able to.

(KDL 2018, p. 108)

◆ Artifact

Your ring actually possesses mystical powers. Its powers can be activated through whispering forbidden words. *I the honourable <insert name>, pledge to repay this favour with blood or gold, when the time has come.* Whenever you activate the object: Roll **+Soul**

- (15+) Choose one option (the GM determines what happens).
- (10-14) Choose one option (the GM determines what happens). However, the artifact also exacts an additional price (the GM determines what is required).
- (9-) The artifact does something unexpected, possibly dangerous. The GM makes a Move.

Suggested options:

- Receive a vision of what threatens you.
- Get yourself out of a bind.

(KDL 2018, p. 113)

◆ Enhanced Awareness

When you focus your senses at a location where the Illusion is weak, . On a success, you have visions about the place and may be able to speak to entities tied to it: Roll **+Soul**

- (15+) You can discern clear details regarding the location.
- (10-14) You get some basic impressions regarding the location.
- (9-) The Illusion tears. The veil is lifted temporarily, revealing an alternate dimension – the GM determines which one. The PC could be sucked into it or something may cross over into our reality. The GM makes a Move.

(KDL 2018, p. 114)

Disadvantages

◆ Nightmares

You suffer from recurring nightmares, probably connected to your Dark Secrets. During any scene when you sleep: Roll **+Disadvantage**

- (15+) You sleep in peace.
- (10-14) The nightmares torment you. The GM may make a Move for your nightmares. For example, you are unable to sleep at all during the night (-1 ongoing until you sleep), something follows you back into reality, the nightmares provide you insight into the Truth, or you are forced to process some trauma (Keep it Together) when you wake up.
- (9-) The nightmares take over completely. You are trapped in the dream until you find a way to wake up, and everything that happens there also directly affects your sleeping body.

(KDL 2018, p. 99)

◆ Drug Addict

You are addicted to Alcohol and cocaine. At the beginning of the game and whenever you have been using, or have the opportunity to use: Roll **+Disadvantage**

- (15+) You are in control of the urge, for now.
- (10-14) The GM takes 1 Hold.
- (9-) The GM takes 3 Hold.

The GM may spend Hold to make a Move for your addiction. For example, you cannot resist using the drug, run out of drugs, become indebted to a dangerous person, put yourself in danger while under the influence of drugs, or ruin something important to you – like a relationship – while under the influence.

(KDL 2018, p. 97)
