

chalkdeck

classroom slides for Typst

an example

2026

Outline

1. The elements
2. Recolouring
3. Backdrops

1. The elements

Lists and blocks

Alerted text takes the palette's alert colour.

- one
- two
- three

Theorem (Gaussian integral)

$$\int_{-\infty}^{\infty} e^{-x^2} dx = \sqrt{\pi}.$$

Two columns

Left

- alpha
- beta

Right

Note

Any number of columns.

2. Recolouring

One key is enough

```
#show: chalkdeck.with(theme: "blackboard",  
  palette: (board: rgb("#12314F"), bg: rgb("#12314F")))
```

The rest of the theme is untouched.
