

faboxyst v0.1.0

Note

A titled coloured box — the workhorse.

A semantic tip.

Never divide by zero.

1. A one-line question — the plaque matches the frame.

2. A taller question keeps the requested plaque size because the frame is already deeper than the square.

Ans. The optional answer block.

Example

A yellow plate with a blue band.

Example 1

Punched header.

A plaque held by screws.
